Abisena Ubud

Abisena Ubud is an adult only wellness resort located in Keliki, a small village approximately 4 kilometres north of central Ubud, known for its tradition of miniature painting, densely detailed narrative scenes developed by local artists in the 1930s. The hotel can arrange studio visits with working artists.

Thalasso Spa

Grand Mirage Resorts's Thalasso therapy uses seawater pumped directly from the ocean a specific treatment method that requires a beachfront position to work properly. The Nusa Dua facility is one of a small number of certified thalasso centres in Asia.

Did You Know?

Sri Lanka has the highest density of UNESCO World Heritage Sites per square kilometre of any country in Asia, six sites within a relatively compact area of the Cultural Triangle. Earls Regency in Kandy provides access to three of them within a two-hour drive.

Rannalhi House Reef

The house reef at Adaaran Club Rannalhi drops to around 30 metres & is accessible directly from the beach without a boat transfer. The reef contains over 200 species of fish & is one of the more accessible dive sites in South Male Atoll.

Sundowners at NORA Beach Club

There's a reason Bang Tao Beach regulars keep coming back to Amora Beach Resort, NORA Beach Club. As the sun dips over the Andaman Sea, guests settle in for live music, cocktails & that easy Phuket energy that's hard to find anywhere else. It's the kind of evening that turns a good holiday into a memorable one.

Outer islands of the Seychelles

Alphonse, Cosmoledo, Astove are largely inaccessible without specialist help. Our trusted DMC 7°South is one of the few operators who can arrange access & the fishing & diving there is in a different category from anything available in the inner islands.

New Rooms @ Bali Mandira Beach Resort & Spa

Bali Mandira Beach Resort & Spa is expanding its room offering with three brand-new categories launching 1st November 2026. The Mandira Signature brings a fresh contemporary feel in the main building with stunning garden views. The Mandira Family Signature is designed with families in mind, featuring a king bed alongside a bunk bed with trundle perfect for couples travelling with up to three children. And for those seeking something extra special, the Pool Family Suite offers a private plunge pool in a fun, family themed setting.

Whether you're planning a romantic escape or a family adventure, these new room types open up exciting possibilities for your clients visiting Bali.
