Air Seychelles Expands Horizons In Europe

Air Seychelles has expanded its European network with new direct services from Mahé to both Paris Charles de Gaulle (three times weekly) & Rome Fiumicino (twice weekly), launched in March 2026. These routes enhance connectivity to the Seychelles, offering greater flexibility & convenient alternatives for travellers from key European markets. The new flights also support the growing demand for luxury and leisure travel, making it easier than ever for tour operators and partners to package seamless European-Seychelles itineraries. For tailored experiences, our trusted Seychelles DMC can help plan every detail, ensuring unforgettable stays across the islands
