Being located within the designated UNESCO World Heritage Site Biosphere Reserve, The Rainforest Ecolodge offers a unique opportunity to experience Sri Lanka's endemic animals, along with a diverse range of butterflies, insects, reptiles and amphibians.

The hotel, blending into its lush natural surroundings, is designed to minimize environmental impact through sustainable practices. The ecolodge exemplifies a stark commitment to eco-friendly activities and responsible tourism, engaging in environmental conservation and community empowerment.

The ecolodge features 20 chalets including 2 interconnecting rooms, constructed from repurposed shipping containers. Each chalet is architecturally designed to provide comfort and relaxation whilst seamlessly immersing in nature for an ultimate rainforest experience.

The Rainforest Ecolodge is the first hotel in Sri Lanka to be awarded with LEED PLATINUM status (Leadership in Energy and Environmental Design).

Destination

The Rainforest Ecolodge is nestled in southern Sri Lanka, within the picturesque Enselwatte Tea Estate, and adjacent to one of the country's last remaining undisturbed evergreen rainforests. This area, designated a UNESCO world heritage site Biosphere Reserve, hosts a rich and diverse ecosystem. The rainforest is home to a significant number of endemic species, including rare and elusive creatures such as the vibrant Sri Lanka Blue Magpie and the Purple-faced leaf monkey.
